

Related Discipline Card Finder

Listed below is a list of historic ECS Related Discipline cards and the ECS that is recommended that the card holder transfers to. Other ECS card options may be more suitable to a cardholder to better reflect their job role.

Full requirements for each ECS card can be found on the card types page on the ECS card website.

If an ECS Related Discipline card is applied for then the applicant must hold the ECS Electrical Safety Unit assessment plus the ECS HS&E assessment and have evidence of sector specific training from their employer or a relevant single stand-alone qualification in the discipline of the card to be issued.

Historic Occupations	Transfer to (from 01/01/2021)
A.G.L Engineer	Field Engineer Related Discipline
Access Control Installer	FESS Systems Operative
Aerial & Satellite Engineer	Aerial & Satellite Engineer Related Discipline
Applications Engineer	Field Engineer Related Discipline
Area Managers	Manager
Audio Visual Engineer	Field Engineer Related Discipline or partner card
Audio Visual Manager	Manager
Audio Visual Programmer	Field Engineer Related Discipline or partner card
Audio Visual Trainee	Trainee
Automation Controls Engineer	Control System Engineer
Automation Engineer	Field Engineer Related Discipline
AV APPRENTICE	Trainee
AV Engineer	Field Engineer Related Discipline or partner card
AV Installer	Field Engineer Related Discipline or partner card
AV Systems Engineer	Field Engineer Related Discipline or partner card
AV Technician	Field Engineer Related Discipline or partner card
Battery Installation Engineer	Field Engineer Related Discipline
BMS Commissioning Engineer	Control System Engineer
Cabling Supervisor	Cabling and jointing
CAD Engineer	Site Support Occupation
CAD Manager	Site Support Occupation
CAD OPERATOR	Site Support Occupation
Catering Equipment Installer	Equipment Installer Related Discipline
CCTV Engineer	FESS Systems Operative
Commissioning Engineer	Site Support Occupation
COMMISSIONING MANAGER	Manager
Control Panel Fitter	Control System Engineer
Control System Engineer	Control System Engineer
Controls Engineer	Control System Engineer

Customer Service Engineer	Site Support Occupation
Datacomms Installer	Network Infrastructure Installation Assistant
Datacomms Installer (75)	Network Infrastructure Installation Assistant
DC Power Installation Assistant	Field Engineer Related Discipline
Design Engineer	Site Support Occupation
Development Manager	Manager
Digital TV Systems Installer	Field Engineer Related Discipline or partner card
Director-Audio Visual Division	Manager
EAS INSTALLER	Field Engineer Related Discipline
Electrical Control Panel Installer	Control System Engineer
Electrical Engineer	AQP or PQP
Electrical Estimator	Site Support Occupation
ELECTRICAL HEAT TRACER	Field Engineer Related Discipline
Entertainment Systems Installer	Field Engineer Related Discipline or partner card
Equipment Installer Related Discipline	Equipment Installer Related Discipline
Field Engineer	Field Engineer Related Discipline
Field Operations Manager	Manager
Field Service Engineer	Field Engineer Related Discipline
Field Technician	Field Engineer Related Discipline
Fire Systems Engineer	FESS Systems Operative
Generator Engineer	Equipment Installer Related Discipline
H.V. Jointer	Assistant Jointer
Health and Safety Manager	Site Support Occupation
Health and Safety Training Manager	Site Support Occupation
HV FITTER/ENGINEER	Cable Hand
HV SUB-STN INSPECTOR	Cable Hand
Installation Engineer	Field Engineer Related Discipline
Jointers Mate	Electrical Labourer
L.V. Jointer	LV Jointer
Lighting and Sound Engineer	Field Engineer Related Discipline or partner card
Lighting Systems Engineer	Field Engineer Related Discipline or partner card
Linesman	Cable Hand
Maintenance Engineer	Field Engineer Related Discipline
Managing Director	Manager
Mechanical Engineer	Field Engineer Related Discipline
Medical Equipment Installer	Equipment Installer Related Discipline
Meter Fixer Operative	Field Engineer Related Discipline
Network Engineer	Network Infrastructure Installation Assistant
Operations Engineer	Manager
Operations Manager	Manager
P.A Systems Engineer	Field Engineer Related Discipline or partner card
Panel Builder	Equipment Installer Related Discipline
Panel Fitter	Equipment Installer Related Discipline
PAT Testing Engineer	PAT Testing Related Discipline

Project and Design Engineer	Manager or Site Support Occupation
Project Engineer	Manager or Site Support Occupation
Project Manager	Manager or Site Support Occupation
Quantity Surveyor	Manager or Site Support Occupation
Regional	Manager or Site Support Occupation
Regional Supervisor/UPS Engineer	Manager or Site Support Occupation
Sales Engineer	Manager or Site Support Occupation
Senior Commissioning Engineer	Manager or Site Support Occupation
Senior Design Engineer	Manager or Site Support Occupation
Senior Engineer	Field Engineer Related Discipline
Service Engineer	Field Engineer Related Discipline
Site Surveyor	Manager or Site Support Occupation
Site Visitor	Manager or Site Support Occupation
Software Engineer	Site Support Occupation
Solar PV Technician	Equipment Installer Related Discipline
Sub-Station Fitter	Equipment Installer Related Discipline
Supervisor	Manager or Site Support Occupation
Switchgear Engineer	Equipment Installer Related Discipline
Systems Engineer	Field Engineer Related Discipline
Systems Integration Manager	Manager or Site Support Occupation
Technical Director	Manager
Technical Engineer	Field Engineer Related Discipline
Technical Manager	Manager
Technical Support Engineer	Field Engineer Related Discipline
Technical Support Manager	Manager
Technician/Commissioning Engineer	Field Engineer Related Discipline
Telecoms Installer	Equipment Installer Related Discipline
Telemetry Engineer	Field Engineer Related Discipline
Test Engineer	Field Engineer Related Discipline
Trace Heating Engineer	Field Engineer Related Discipline
Trainee HV/LV Network Technician	Trainee
Trainee Project Engineer	Site Support Occupation
Trainee Project Manager	Site Support Occupation
U.P.S. Engineer	Field Engineer Related Discipline
Uninterruptible Power Supply Engineer	Field Engineer Related Discipline
UV Treatment Plant Comms Engineer	Equipment Installer Related Discipline
Wireman	Cable Hand
